BAROSSA VALLEY

## RunRig

*The RunRig is a structured, muscular wine with phenomenal density, dry vintage port-like concentration, and magnificent notes of smoke, blackberries, cassis, leather and coffee. A hint of viognier's sweet marmalade character comes through as the wine sits in the glass.*

*'The Highland clans used a "runrig" system to distribute land amongst their clansmen in a series of widely dispersed holdings. The emphasis not on any one farm, but rather the communal element of the whole. Shiraz from old dry grown vineyards is blended with viognier, complementing the strengths and complexities of these individual parcels of fruit, whilst giving the resulting wine a further dimension.'*
